CV 2024-06-04 [latest]

I am a psychological scientist at the Tilburg School for Social and Behavioral Sciences at Tilburg University, where I study how digital environments relate to cognition and well-being using experimental, data science, and statistical methods.

Academic Positions

Assistant Professor, Department of Social Psychology, Tilburg University
 Postdoctoral Researcher, Oxford Internet Institute, University of Oxford
 Postdoctoral Research Scientist, Department of Psychology, Columbia University

Education

2018 PнD, Columbia University, USA

2015 M.A, Columbia University, USA

2013 BSc (Hons), Victoria University of Wellington, New Zealand

Research Funding

Understanding the associations between online video game play and well-being in a representative Dutch sample. Tilburg University. (*Co-PI with M. Klincewicz. €8,577.*) How does digitalization associate with brain aging? Tilburg University. (*Co-PI with S. M. Kia. €12,000.*)

Does the nose know? Validating immersive multisensory VR food environments to study eating behaviour. Tilburg University. (*Co-I with PI R. de Vries.* €16,344.)

Understanding video game play and mental health. Economic and Social Research Council. (Co-I with Co-I K. Magnusson and PI A. Przybylski. £935,050.)

The association between video game play and cognition. University of Oxford. (*PI.* £10,000)

Honors & Awards

- Leo Rubinstein Endowed Fellowship (Columbia University)
 Graduate Student Travel Award (Psychonomic Society)
- Leo Rubinstein Endowed Fellowship (Columbia University)
 Edward E. Smith Memorial Award in Cognitive Neuroscience (Columbia University)
 Best Student Poster Award (Association for the Scientific Study of Consciousness)
- Dean's Fellowship (Columbia University)
- Postgraduate Research Scholarship (Victoria University of Wellington)
 School of Psychology Graduate Prize (Victoria University of Wellington)
 Victoria University Graduate Award (Victoria University of Wellington)

Publications & Academic Contributions

See Zotero or Google Scholar for the most up-to-date list of my publications.

Teaching

Courses

- 2024- Experimental research (Tilburg University)
- 2023- Consumer Analytics using Big Data (Tilburg University)
- 2021-2022 Experiments for Social Data Science (University of Oxford)

Teaching Assistantships

- 2018 Statistics for Behavioral Scientists (Columbia University)
- 2017 Introduction to Statistical Modeling in Psychology (Columbia University)
- 2016 Analysis of Change (Columbia University)
- 2015 Experimental Psychology: Human Behavior (Columbia University)
- 2014 & 2016 The Science of Psychology (Columbia University)
 - 2013 Visual Perception (Victoria University of Wellington)
- 2011 & 2013 Introduction to Psychology (Victoria University of Wellington)

Workshops

- Data visualization workshop (Tilburg University; Tilburg PhD Platform)
- Bayesian regression modelling with brms (University of Zürich; https://mvuorre.github.io/brms-workshop/)
- Bayesian modelling with the Stan probabilistic programming language (Columbia University; https://github.com/mvuorre/ulam)

2018 Hierarchical modelling of change over time (University of Aberdeen)

Within-subject mediation analysis for experimental data in cognitive psychology and neuroscience (Rutgers University; https://github.com/mvuorre/2017-rutgers-mediation)

Service to the profession

Member of Tilburg Young Academy Recommender at Peer Community In Registered Reports

I have acted as a peer reviewer for Advances in Methods and Practices in Psychological Science; Acta Psychologica; Attention, Perception, & Psychophysics; British Journal of Mathematical and Statistical Psychology; Communication Research; International Journal of Psychology; John Templeton Foundation; Journal of Adolescence; Journal of Consciousness Studies; Journal of the Experimental Analysis of Behavior; Journal of Experimental Psychology: General; Nature Human Behaviour; Peer Community In Registered Reports; Psychological Science; Psychology of Consciousness; and Royal Society Open Science. I always sign my reviews.
