- github.com/mvuorre

I am a psychological scientist at the Tilburg School of Social and Behavioral Sciences at Tilburg University, where I study cognition and well-being particularly in the context of digital environments using experimental, data science, and statistical methods.

ACADEMIC POSITIONS

- 2023 - now • *Assistant Professor*, Department of Social Psychology, Tilburg University
- 2020 • *Postdoctoral Researcher*, Oxford Internet Institute, University of Oxford
- 2018 • *Postdoctoral Research Scientist*, Department of Psychology, Columbia University

EDUCATION

- 2018 • *PhD*, Columbia University, USA
- 2017 • *MPhil*, Columbia University, USA
- 2015 • *M.A*, Columbia University, USA
- 2013 • *BSc (Hons)*, Victoria University of Wellington, New Zealand
- 2012 • *BSc*, Victoria University of Wellington, New Zealand

RESEARCH FUNDING

- 2025 • Testing the Technology Related Attention Decline hypothesis. European Research Council Starting Grant. (PI. <https://doi.org/10.3030/101219901>)
- 2024 • Capturing the Digital Footprints of Video Game Play. Economic and Social Research Council. (Co-PI with K. Magnusson & A. Przybylski.)
- Gaming for Better or Worse: Longitudinal Analysis of Objective Video Game Play Data and Mental Health. Swedish Research Council for Health, Working Life and Welfare. (Co-PI with K. Magnusson.)
- Understanding the associations between online video game play and well-being in a representative Dutch sample. Tilburg University. (Co-PI with M. Klinecicz.)
- How does digitalization associate with brain aging? Tilburg University. (Co-PI with S. M. Kia.)
- 2023 • Does the nose know? Validating immersive multisensory VR food environments to study eating behaviour. Tilburg University. (Co-I with PI R. de Vries.)

- 2022 • Understanding video game play and mental health. Economic and Social Research Council. (*Co-PI with K. Magnusson & A. Przybylski.*)
- 2021 • The association between video game play and cognition. University of Oxford. (*PI.*)

HONORS & AWARDS

- 2016 • Leo Rubinstein Endowed Fellowship (Columbia University)
• Graduate Student Travel Award (Psychonomic Society)
- 2015 • Leo Rubinstein Endowed Fellowship (Columbia University)
• Edward E. Smith Memorial Award in Cognitive Neuroscience (Columbia University)
• Best Student Poster Award (Association for the Scientific Study of Consciousness)
- 2013 • Dean's Fellowship (Columbia University),
- 2012 • Postgraduate Research Scholarship (Victoria University of Wellington)
• School of Psychology Graduate Prize (Victoria University of Wellington)
• Victoria University Graduate Award (Victoria University of Wellington)

TEACHING

COURSES

- 2024 - now • Experimental research (Tilburg University)
- 2023 - now • Consumer Analytics using Big Data (Tilburg University)
- 2021 • Experiments for Social Data Science (University of Oxford)

WORKSHOPS

- 2025 • Collaborative science in the age of software (Princeton University; <https://psych.princeton.edu/news-events/2025/matti-vuorre-assistant-professor-tilburg-university>)
- 2024 • Bayesian regression modelling (University of Basel; <https://vuorre.com/workshop/>)
- 2023 • Data visualization workshop (Tilburg University)
- 2020 • Bayesian regression modelling with brms (University of Zürich; <https://vuorre.com/brms-workshop/>)
- 2019 • Bayesian modelling with the Stan probabilistic programming language (Columbia University; <https://github.com/mvuorre/ulam>)
- 2018 • Hierarchical modelling of change over time (University of Aberdeen)
- 2017 • Within-subject mediation analysis for experimental data in cognitive psychology and neuroscience (Rutgers University; <https://github.com/mvuorre/2017-rutgers-mediation>)

TEACHING ASSISTANTSHIPS

- 2018 • Statistics for Behavioral Scientists (Columbia University)
- 2017 • Introduction to Statistical Modeling in Psychology (Columbia University)
- 2016 • Analysis of Change (Columbia University)
- 2015 • Experimental Psychology: Human Behavior (Columbia University)
- 2014 • The Science of Psychology (Columbia University)
- 2013 • Visual Perception (Victoria University of Wellington)

2011 • Introduction to Psychology (Victoria University of Wellington)

SERVICE TO THE PROFESSION

- Member of the [Tilburg Young Academy](#)
- TSB Faculty ambassador to the [Tilburg Open Science Community](#)
- Recommender at [Peer Community In Registered Reports](#)
- Recommender at [Peer Community In Psychology](#)
- Editor for the [Instagram Data Access Pilot for Well-being Research](#)
- Chair of [PsyArXiv](#) Outreach and Public Engagement Subcommittee

PUBLICATIONS & ACADEMIC CONTRIBUTIONS

See [Zotero](#) or [Google Scholar](#) for the most up-to-date list of my publications.
